PROBLEMS AND PROSPECTS

MESSAGE

IPR Regime is one of the few branches of Jurisprudence which is fast growing and having universal application. This is one of the areas wherein International law and Municipal Law are having close inter-relations. Govt. Law College Thiruvananthapuram has established Internal Quality Assurance Cell (IQAC) as per the assistance and direction from University Grants Commission. Realizing the importance of IPR, our institution takes it a point to conduct seminars on IPR every year. This academic year also IQAC of Govt. Law College Thiruvananthapuram is organizing a National Seminar on 'Intellectual Property Rights : Problems and Prospects' on 11th and 12th January, 2018. So many papers are proposed to be presented in the seminar. The on-line journal the *Lex Warriar* is an acclaimed on-line journal widely accessed by the members of the legal fraternity. I am happy and thankful to *Lex Warriar* in selecting five of the papers which are to be presented in the seminar for publication in the on-line journal. I congratulate the five contributors of the papers for having selected for publication by *Lex Warriar*. Expecting continued co-operation.
